Current Markets What They Mean for Your Clients

Presentation by **J.P.Morgan**

Presenter: **Steve Olson**

Steven will share insights on today's most critical economic and investment topics, including the current economic landscape and outlook for the balance of 2010, and discuss key drivers and trends taking place in the markets.

During this meeting, Steven will use slides from the 4Q10 *Guide to the Markets* to provide perspective on the uncertainties and opportunities facing investors today and will then open up the discussion for your questions.
